Pair of 18th Century German Portraits

£4,500

A pair of mid 18th Century German Portraits of a husband and wife, he shown wearing a red frock coat with his hat tucked under his arm, and his tightly corsetted wife with a necklace of coral, perhaps from Trapani in which, during the seventeenth and eighteenth centuries a notable production of works by experienced masters flourished in. They applied coral to gold and to copper and created precious jewels and valuable objects.
