Pair of Antique Large Italian Candelabra

£3,700

An impressive pair of Sicilian silver-gilt tole and beaded and moulded glass five-light pricket candelabra
in the Neoclassical taste, the scrolling arms with turned pricket finials, interspersed by further decorative scrolling arms and surmounted by elongated central columnar supports with urn nozzles, cut-glass spires below graduated scrolling coronas, all hung and strung with pear shaped drops and faceted beaded garlands, the lobed pedestal vase supports with swept upper sections, on knopped, lobed, socle bases and canted shallow square plinths
