Antique Rare Teapot Shaped Tea Caddy

£4,200

A particularly fine and extremely rare tea caddy in the form of a novelty teapot! This wonderful George III caddy is from the family of "fruit" caddies and is turned from a single piece of fruitwood with applied handle; spout and finial to the lid. Designed to simulate a terracotta teapot of the period, it is decorated with gilding to the edge of the spout; the lid; the handle and with a pretty oval 'patera' below the steel escutcheon. Excellent original condition with original lining.
